MRS. M. W. McKANNA

EAST

Foreword

A high school is composed of many factors—teachers, students, clubs, activities, athletic teams . . . But the one factor, the most important factor, which unites the school and the students, is spirit. Spirit is the essence of high school.

Spirit is participating in clubs and activities. It is being on athletic teams, fighting for glory for East, or cheering the boys on to victory. It is representing the school in any way possible, in the best way possible. Spirit is caring. Without the spirit and enthusiasm of the students, the school can be nothing, can achieve nothing.

Every school has moments of defeat, whether they be losing teams or apathetic students. But there will always be students with spirit—students who lead the others, who sing the school song proudly, who strive for victory and recognition in the name of East—the students who will fondly remember their years at East.

For you, the students who respect and cherish East High School, this book has been produced. The 1967 Eastonian staff hopes to record the memories of an exciting and eventful year—the memories of the Spirit of '67.

1967 Eastonian

A friend to everyone—maker of men; that describes Coach Roy Brown, who has been at East since 1938. In his first years at East, Mr. Brown coached all sports; later, he relinquished basketball, concentrating on football and track. In 1965, his final head coaching year, his mile relay team set the enviable time of 3:18.3, among the fastest times in the nation, an outstanding culmination to an outstanding career.

In addition to his regular classes and coaching duties, Mr. Brown has acquired a national reputation as a collegiate official in both football and track. Long active in the Big Eight Conference as an official, he was chosen to officiate in the 1947 Sugar Bowl. Since 1963, he has served as Commissioner of Athletics in the M.I.A.A. Conference.

East is indeed fortunate to be able to receive the benefit of his years of experience. His advice and counseling to our present coaches is invaluable. Last year, in his honor, the Roy Brown Award to an outstanding athlete was started. This is a wonderful and fitting tribute to the man who has so successfully guided boys into men.

Words could not fully express the gratitude felt towards a man who has given so much inspiration and encouragement to others. It is with deep pride that we dedicate this 1967 Eastonian to Coach Roy F. Brown.

Administration

East can contribute her success as a high school to three important factors: a co-operative student body, an interested and capable faculty, and an effective administration.

Mr. Dickson has the responsibility of keeping East running smoothly and effectively. Mr. Markey and Mr. Ridley direct general activities and work with the students in solving individual problems.

Office Staff

Busy at work typing bulletins, issuing tardy cards, and performing other routine office work are the capable ladies in the office, Mrs. Crosby, Mrs. Watson, and Mrs. Hause. Also included among the office staff are Mrs. Potts, counselors' secretary, and Mrs. Schmalz, banker.

Mrs. Potts keeps records and student information in the counseling center. Mrs. Schmalz handles and records money deposited and withdrawn by organizations at school. These five ladies are essential in keeping East running smoothly.

MANY RECORDS AND REPORTS must be processed and filed by the office ladies.

Counselors

No matter what the problem—a low grade or teacher difficulty—the counselors are always willing to listen and help the students find workable solutions. Each counselor is assigned a certain class and continues as their counselor until their graduation. Counselors of underclassmen help students adjust to high school life. Upperclassmen seek the counselor's advice in planning careers after graduation. The counselor may help a student find a suitable college, or direct him in finding an appropriate career.

Science Builds

Throughout the years, East has retained its outstanding science department. In physics, students study the physical causes of natural events. PSSC physics gives seniors an opportunity to further their knowledge of physical concepts. General and advanced biology provide knowledge of plants and animals, and their growth and environment.

"ARE YOU SURE this isn't going to blow up?" wonders Cheryl McCain.

for the Future

The basic principles of chemical solutions and formulas are taught to chemistry students. Human science explores the mysteries of the human body and the functions of its organs and systems. Horticulture students search the vast science of growing plants, trees, and greenery. A good foundation in science is essential in any career planning.

Math Stimulates

Math and science are becoming increasingly important to the career and college-minded student. East has a variety of math courses for interested students. One year of math is required for graduation, but many mathematically-inclined students take up to four years. Courses offered are general math, algebra, geometry, advanced algebra, senior advanced math, and refresher math. These courses provide a good background for further education.

General math teaches students to solve problems encountered in everyday life. Students with a more advanced understanding of these basic fundamentals may take algebra. Algebra teaches students to realize the relationship between numbers. Geometry instructs students in an understanding of geometrical shapes and space relationships. Advanced algebra and senior math further a student's knowledge and understanding of the previous courses taken.

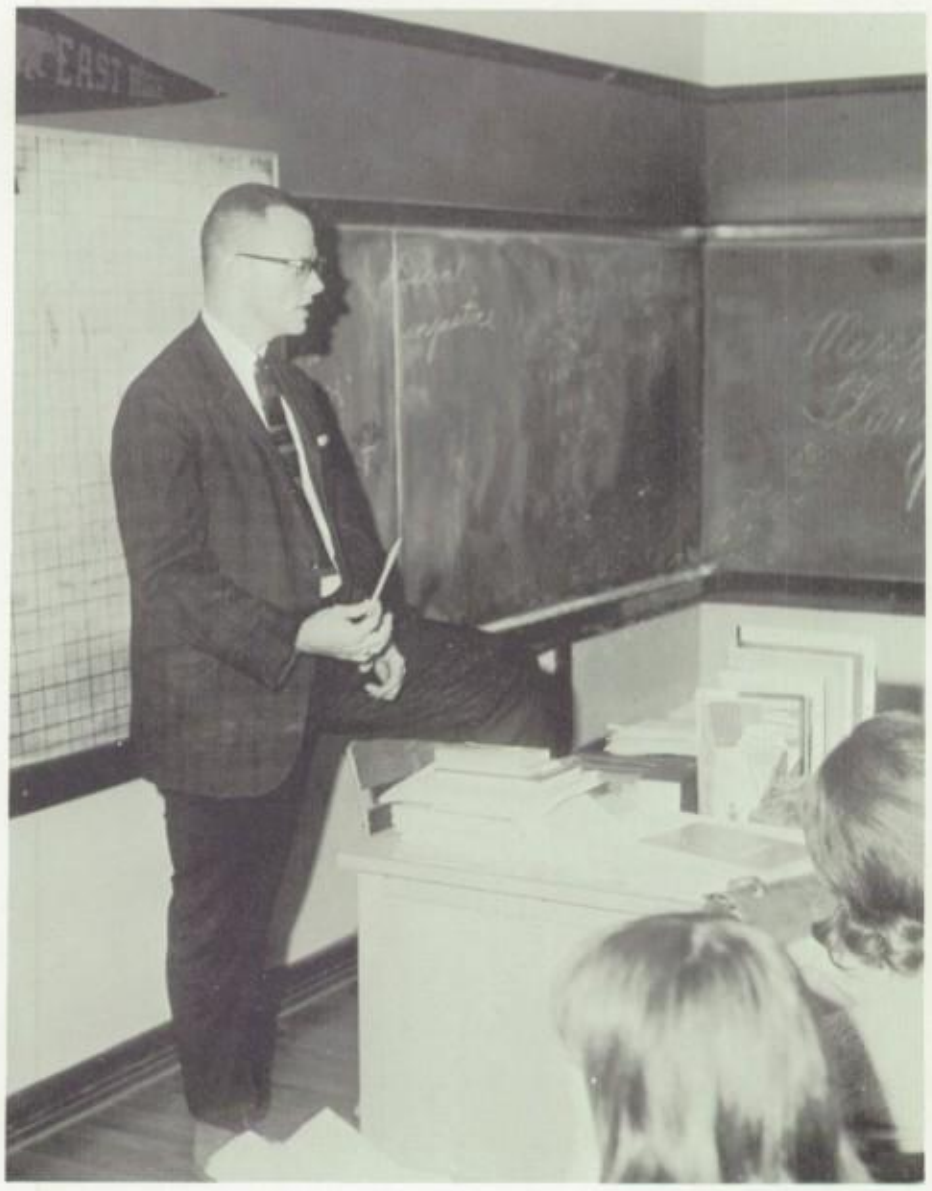
English Provides

Students begin their eighth grade year studying the grammar and basic fundamentals of our English language. By their senior year they have progressed to the more difficult and interesting study of literature and composition. Besides studying parts of speech and sentence structure, students learn, through concentrated study, of novels, plays, and poetry. The study of English is important to every student if he is to be successful in adequately communicating with his fellowman. A knowledge of our English language, its structure, and its literature is the mark of an educated individual.

MISS RAMS TRIES TO CLARIFY an English exercise for one of her students during a study period.

Basic Skills

Classes in speech teach students to express themselves to others more efficiently. First-year speech classes instruct students in making introductions, carrying on conversations, using the library, and other everyday, but often neglected, skills. Interested students may go on to public speaking and drama classes. Public speaking increases each pupil's ability to talk before audiences as he competes in many oratorical contests throughout the year. In drama classes, students learn the many skills involved in acting and play producing by presenting two plays each year.



WHILE THE STUDENTS follow in their books, Mr. Winegar discusses a passage from the story.

Languages Develop Expression

In the area of fine arts, music, speech, drama, art, and language are among the courses offered to students at East. Besides learning basic fundamentals and skills, pupils in the art and music departments learn appreciation of the works and accomplishments of others. These classes broaden each student's education, and give him an opportunity for self-expression. The different talents of many young people are discovered and developed. The combined efforts of the fine arts classes produce most of East's successful school events. While the music and drama departments produce the talent and productions at East, the publicity is furnished through posters and signs by the art department.

The study of a language teaches a student not only to speak and write a language, but also to understand the culture and country of its origin. East offers three languages: Latin, Spanish, and French, under the direction of Miss McLaughlin and Mrs. Donnelly. The new language lab helps students increase their proficiency at speaking and understanding a language.

MR. FISHER PRONOUNCES spelling words for his common learnings class.

Eighth grade common learnings classes cover a variety of subjects, the two main ones being English and social studies. Common learnings classes help the new student to adjust better to high school life. Foundations for advanced learning in high school are established in eighth grade. Many capable teachers help students adapt to high school routine and solve problems encountered during their first year at East.

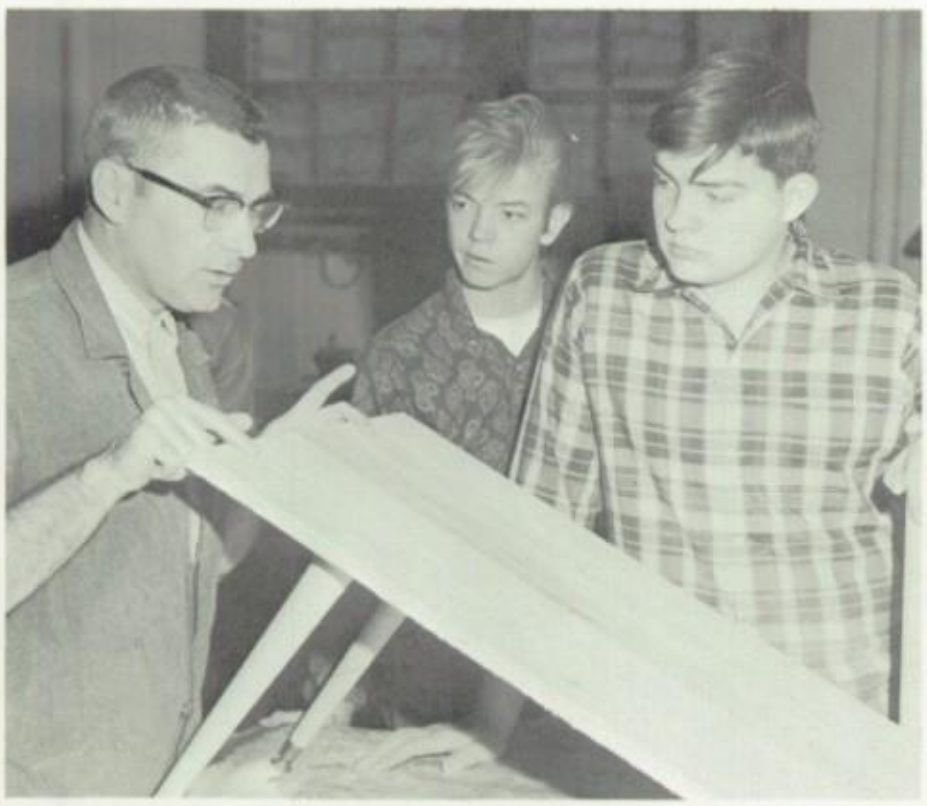
History Increases Understanding

MR. PENNY MAKES CLASS interesting by relating a personal experience concerning the subject under discussion.

Students at East are required to take three years of history, two of which must be civics and American history. Other courses offered are world history, world geography, economics and contemporary issues, comparative government and international relations, and current affairs.

History classes give pupils a more complete understanding of our country, other nations of the world, and events that are taking place in our time.



"BE SURE TO SAND THIS down smoothly," says Mr. Webber to his woodwork students.

The cooking of a well-balanced and nutritious meal, the sewing of clothes, and the care of a home and family are all important factors in the curriculum of homemaking. Branches in this field for East students include child care, family relations, and home economics. Homemaking classes prepare young girls for managing a home and family.

Industrial skills are taught in industrial arts. Boys learn how to use their hands in the making of products such as bookcases, chairs, tables, and lamps. Drafting classes give students a background for engineering study. Skills are developed in these classes which can be used throughout the student's life.

Teach Skills

East High School offers its students personal typing, business typing, stenography, accounting, and a course in advanced business. Many students rely on practical arts skills learned in high school in acquiring jobs after graduation. These courses often give students a good background for further study in college.

Any student who fulfills the age requirements may take the one semester course of drivers' education. Students learn the operation and function of an automobile, and safe driving procedures. Drivers' education aids teenagers in becoming safe and responsible drivers.

Physical Education Stresses Fitness

GPE students learn many varied skills. Girls learn everything from modern dance techniques to volleyball rules. Students study modern, folk, and social dancing, which teaches them to express their emotions and ideas through movement. In the field of sports, the girls participate in swimming, hockey, volleyball, basketball, tumbling, and track.

In addition to physical activities, BPE instructs students in good sportsmanship, responsibility, and self-discipline. Boys learn the playing skills and rules and regulations of football, basketball, and track. Gym classes prepare the boys for participation on athletic teams. BPE strives to encourage not only physical fitness but moral character.

for Betterment and Progress of School

Working under the theme "Express to Progress," the East High Parent-Teacher Association has accomplished much this past year. They have had five meetings. One meeting dealt with the art department at East; the program was entitled "Art—A Form of Expression." Another meeting was Founders' Day, honoring past presidents.

Realizing that without adequate funds progress is difficult, the PTA did much to promote passage of the school levy. They sponsored two book fairs, making popular books available to students at inexpensive prices. They also helped in chaperoning Minute Circle's Teen Town. The PTA has done much for the benefit of East High School and its students.

Under the supervision of Mrs. Greer, school lunches are prepared each day for faculty and students. Whether selling candy, serving meals, or cleaning tables, the cafeteria ladies are always courteous and friendly. The well-balanced meals served in the cafeteria speak well for the talents and abilities of our cafeteria staff.

Arriving early in the morning, the janitors get the school ready for the onrush of students. Throughout the day the janitors keep the school clean and orderly. After students leave in the afternoon, the custodians clean rooms and halls, making East ready for another day. Under the direction of Mr. Barnett, the custodians do a fine job helping to keep East running smoothly.

Band and Orchestra Add Rhythm

Under the direction of Mr. Marion W. Sell, the band took part in a variety of activities. Adding enthusiasm by playing at football games, the band also played for many civic affairs throughout the community. One of the most important activities of the marching band was their performance in the American Royal parade.

The band was also kept busy preparing for state music contests, Christmas programs, performances at neighboring elementary schools, and an important role in East's Outburst. Besides learning and developing musical techniques and perfecting their skills, band members added enthusiasm and color to many of the school's activities.

Eighth Grade and Freshman Chorus

Mr. Mabbott
Director

The beginning steps toward a musical career are learned by the eighth and ninth grade music students under Mr. Mabbott. The eighth grade and freshman chorus prepares underclassmen for advancement to the A Cappella Choir. This year's chorus played an important role in the Outburst, and also performed in the junior high choir festival.

Latin Club Studies Ancient Customs

Latin Club provides interested students with an opportunity to further study the customs of ancient civilizations. At club meetings, members perform in Roman plays and sing Latin songs. They also make Latin Christmas and Valentine cards. The main event is the Junior Classical League Convention, where club members meet with other Latin students from area high schools.

AT THE JCL CONVENTION, Mike Rodriguez representing Bacchus, Norma Hinebaugh, Minerva, Steve Zahner, a Roman soldier, and David Durbin, newly elected secretary, are shown in prize winning costumes.

LATIN CLUB OFFICERS Brad Ewart, Pat Lynn, Dian Johnson, Robert Carrasco, David Durbin, Alice Nirschl, Cindy Smith, Norma Hinebaugh, and Helen Reynolds proudly display the club banner.

Orientation Week

One week each semester is set aside for orientation week. Literary Societies choose and then extend invitations to prospective members. These orientees are initiated during this week by participating in such activities as a joint brother-sister party, a pot-luck, and a formal tea. During this time the orientee is at the command of club members.

The highlight of the second semester orientation week is the Valentine Mixer. Here orientees provide the entertainment as they compete with orientees from other clubs.

1966-1967

The week preceding the mixer each club nominates a couple to represent them in the contest for King and Queen of Hearts. These candidates are voted on during the week, and the winning couple is crowned at the mixer.

The week after orientation week, orientees are required to wear certain apparel. They must wear outfits of various club colors, and later club jackets and ribbons. At the end of this time, a formal initiation is held in honor of the new members. After a hectic three weeks, the orientees officially become an active part of their society.

Bears' Den Gives Students Recreation

A welcome break in the busy weekly schedule of East students is Bears' Den Teen Town. These dances, sponsored by Minute Circle Friendly House, take place every Thursday night throughout the year at College Heights church or Croft Party House. Bears' Den sponsors the Snowball Dance at which the Snowball Queen is crowned.

Bears' Den not only gives East students recreation, but also gives bands from East and other neighboring high schools a chance to perform. The teen town committee sponsored Homecoming spirit nights, and co-sponsored a dance, featuring a nationally-known band, for the benefit of Minute Circle's building fund.

HALFTIME PROVIDES A CHANGE of pace for enthusiastic pep club members.

Pep Club Backs the Bears

Encouraging game attendance, school spirit, and good sportsmanship is the job of the pep club. The members attend every football and basketball game in order to support the boys. They learn the words and actions of cheers to back up the cheerleaders at games and pep assemblies.

The goal of the pep club was to boost East's spirit. Members of the pep club made posters and sold booster badges for the games. They sold game and bus tickets in order to encourage attendance. One of the pep club's main projects was sponsoring basketball homecoming.

GIRLS DEVELOP SKILL and co-ordination through practice drills in gym class.

Girls develop their athletic ability through their participation in their gym classes. They begin the year with the game of hockey, then follow the seasons with volleyball, basketball, badminton, and softball. They also swim, tumble, and study modern, square, and social dancing.

GIRLS ARE ABLE to improve their skills by participating in intramural sports.

In order to become an Athenian, a girl must participate in a specified number of intramural sports, such as hockey, basketball, volleyball, and tumbling. The ROTC Corps is organized in much the same way as regular military services. New cadets come in as privates. After six or seven weeks of training, the ones who have shown ability are promoted to private first class. Training for the new cadets usually entails rifle range training and drill basics, in addition to classes instructing them in military science.

Boys who served as captains, lieutenants, or noncommissioned officers in former years have the opportunity to serve on the Battalion Staff. The Battalion Staff is made up of the Battalion Commander, Executive Officer, Operation Officer, Intelligence Officer, Administration Officer, Supply Officer, and a Sergeant Major. Serving as officers develops the boys' leadership abilities.

The ROTC system utilizes retired Army personnel as instructors and administrators. Instead of a professor of military science, they have a senior Army instructor, Lt. Col. Adams, who is responsible to the superintendent of schools and the Fifth Army. Next in command is Mr. L. Clayton Dickson. The ROTC military instructor at East is O. V. Taylor, a retired warrant officer.

The ROTC program is invaluable. The boys learn not only military basics, but are taught courtesy, respect, discipline, responsibility, and leadership. After completing a three-year program in the ROTC, the boys may gain admission to the Army Reserve program. Their training is of unequaled benefit as they are called upon to defend the rights of our country.

The 1966 varsity football team could not live up to its hopes and expectations. The coaches were among the best, and the team had ability, but the much-needed scoring punch was missing. East often came from behind, but the second-half rallies were not enough for victory. Though much of the school lost hope, the team kept its fighting spirit throughout the season.

The highlight of the season was the Bears' 19-6 victory over Southeast, East's first victory in two years.

Standouts for the Bears were John Cress, Ron Finley, Brad Ewart, Bill McCloskey, Mike Pitts, Ron Morrow, Andrew Cunningham, and Tim Hite. Cress and Finley made second string of the mythical All-City team, while Ewart, McCloskey, Pitts, Cunningham, and Hite made honorable mention.

GRANDVIEW GAINS VALUABLE YARDAGE as they recover a fumble.

Grandview

Grandview provided the Bears' opposition in the first game of the 1966 football season. Capitalizing on the Bears' opening game mistakes, the mighty Bulldogs mounted up a big score in the first half, and kept the Bears scoreless throughout the first three quarters.

In the fourth quarter the Bears finally fired back. Mike Pitts recovered a fumble and raced 22 yards for East's first touchdown. Minutes later Andrew Cunningham sparked the second score by returning a kickoff 48 yards, then going in to score from the one. Despite these last minute efforts by the Bears, the game ended with a disappointing 46-13 score.

AFTER GAINING A FIRST DOWN, Claude Carson is stopped by two Manual players.

Manual

As the Bears began their first game on the home field, they were again hopeful of a victory against the Manual Cardinals. Throughout the first quarter the game seemed evenly matched, and the score was 6-0 at the half, with Manual leading after making a 90-yard run.

In the fourth quarter, the Bears put together a 50-yard drive, and Andrew Cunningham scored, tying the game. However, the Bears fumbled deep in their own territory, and Manual made another touchdown. Throughout the game the Bears fought hard, but time ran out and the game ended in a 12-6 defeat.

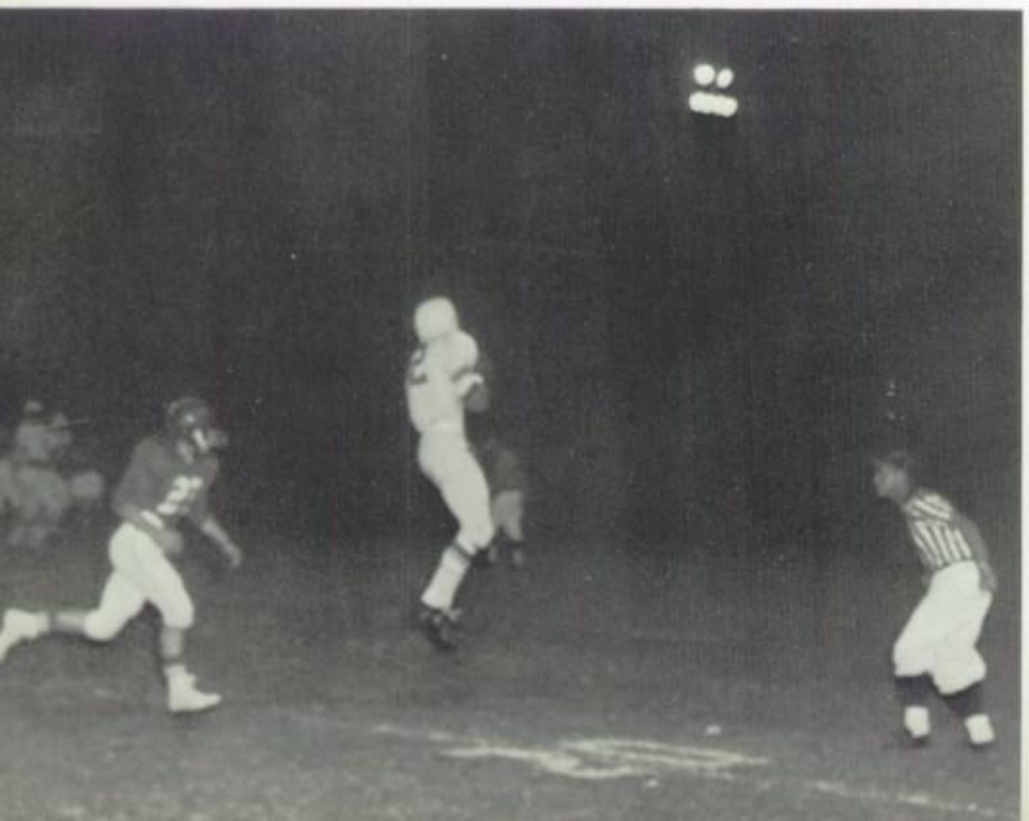
A CENTRAL END GOES HIGH to complete a pass as Tim Hite moves in for the stop.



Central

The Bears were slow to warm against the championship team from Central. Many serious mistakes throughout the first half gave the mighty Eagles a discouraging 36-0 lead at the half.

In the third quarter, the Bears' defense finally started working, and they were able to hold Central until a safety was made in the fourth quarter. The Bears scored in the third, providing a hopeful spark. But the tough Central defense held the Bears to only two touchdowns, and the Blue Eagles scored another victory, the game ending 38-13.

Paseo

East opened their Interscholastic League season against the Paseo Pirates. In the middle of the first quarter, the Bears' defense buckled and Paseo broke through to score. After that play, the Bears refused to yield, but the offense could not jell.

The defensive battle raged into the fourth quarter. Suddenly, offensive mistakes took their toll, and East lost the ball deep in their own territory three times. Paseo's offense was quick to capitalize on these mistakes, and the Pirates went on to a 25-0 victory.

THE DESIRE TO WIN is exemplified by the intense watching of coaches and team.

EAST'S DEFENSIVE HALFBACK, JOHN CRESS, successfully breaks up another Southeast pass attempt.

Southeast

After the first quarter of the Southeast game, it became evident that the Bears had come to fight. Defenses held tight, leaving both teams scoreless throughout the first period. In the beginning minutes of the second quarter, the Bears plunged over the goal line. A tough defense and a rolling offense were the formula to a 12-6 lead at the half.

In the last few minutes of the fourth quarter the Bears scored once again. With the passing team of Ron Morrow and John Cress, and a great amount of teamwork, the Bears won their first game in two years, and smashed the Knights 19-6.

JOHN CRESS STOPS AN OFF-TACKLE SLANT, as Northeast picks up another first down.

Northeast

The Northeast Vikings entered the game a heavy favorite over the East team. In the first half, the Vikings ran over the Bears' defense, scoring seven times.

In the second half, the Bears put down a raging Northeast offensive threat, as East held the opposition to only two touchdowns; however, East could not put together their offense, and remained scoreless throughout the game. The final score, Northeast 56, East 0.

TEAMWORK'S THE WORD as John Cress, Andrew Cunningham, and Brad Ewart stop a Westport player.

Westport

Southeast stadium was the site of East's televised game with the Westport Tigers. The teams were evenly matched, and victory hopes were high, but the Bears got off to a slow start. In the first quarter the Tigers ran a quick touchdown. The second quarter held two more touchdowns for Westport, and at halftime the score was a discouraging 20-0.

In the third quarter, the Bears' defense finally jelled, and held the Tigers scoreless throughout the second half. The offense came to life belatedly in the last few minutes of the fourth quarter and scored one touchdown. The game ended in defeat for the Bears with a final score of 20-6.

When East met Southwest for the Homecoming game, the Bears were determined to knock down the league-leading Indians. In the first quarter the Bears' defense surprised and smashed the Indians' offense, holding them scoreless. In the second quarter the defense again held tight, giving Southwest only a 6-0 lead at halftime.

In the beginning moments of the second half, the Bears scored a spirit-rousing 6 points as Gerald Scott recovered a fumble and raced to the goal line. Andrew Cunningham's called-back touchdown seemed to be the turning point in the game, and the Indians began taking their toll on the Bears' defense. Southwest showed their championship strength, defeating the Bears 46-6.

East met Lincoln in a field of mud. In the first quarter, the slippery ball changed hands several times because of fumbles, but the Tigers were able to hold on long enough to score a touchdown. The second quarter started with a hard drive by the East offense, which was stopped after a 50-yard scoring attempt.

The third quarter saw a hard-hitting East defense, allowing the Tigers one touchdown, and a stale offense. The Tigers scored a third touchdown on an interception after the ball had been blown dead for an off-side penalty against East, and the final score was Lincoln 18, East 0.

Van Horn

East closed the 1966 season with a game against the Van Horn Falcons. Van Horn was quick to get moving, and scored a touchdown in the opening minutes of the game. The Bears' offense was cold, and lost the ball several times.

The Bears' defense was able to keep the high-flying Falcons to one score in the third quarter, but the offensive team could not get close to the goal line.

Van Horn dominated the fourth quarter, riding easy on a large lead. The Bears were able to score one TD, and the game ended 53-6.

Almost evenly divided between sophomores and juniors, the B-Team has bright prospects as next year's varsity team.

Outstanding players were Scott Davis, Darrell Gunter, Danny Kilgore, Mike Wilper, Rodney Ford, and Mark Davis.

Teaching freshmen the fundamentals of football and sportsmanship was the job of Coaches Webber and King. The freshmen won a game and tied one. Though this was not an outstanding record, the experience gained will be valuable towards their future football careers. The boys learned of the work involved in playing together as a team against tough competition, which is the most important reason for participating in freshmen football.

Homecoming Revives Wild West

Homecoming was held on Friday, October 28. Halftime festivities began with the traditional parade, with the color guard leading the way. Following were the cheerleaders, band, and the clubs and their floats. Among the floats, which developed the theme, Wild, Wild West, were a giant cowboy, an old-time saloon, an Indian, and a wagon.

Kalailu's covered wagon won the plaque for the best float for the third consecutive year. After the parade, the Homecoming Queen candidates and their escorts were presented. The highlight of the evening resulted in the crowning of the 1966 Homecoming Queen, Cindy McCorkle, by last year's Queen, Dian Fleming.

Varsity 1967

The 1967 varsity basketball team steered their climb towards the first division of the league. They did not meet their expectations, but the season was a decisive improvement over past years. With the coaching of Mr. Carl King, and the hard work and determination of the boys, the East fans had winning moments.

The Bears won only two games, but came close to victory several times. East's victory over William Chrisman was the first game the Golden Bears had lost on their home court in two years. St. Mary's beat the Bears in the last five seconds of play. Northeast and St. Pius beat East in overtimes.

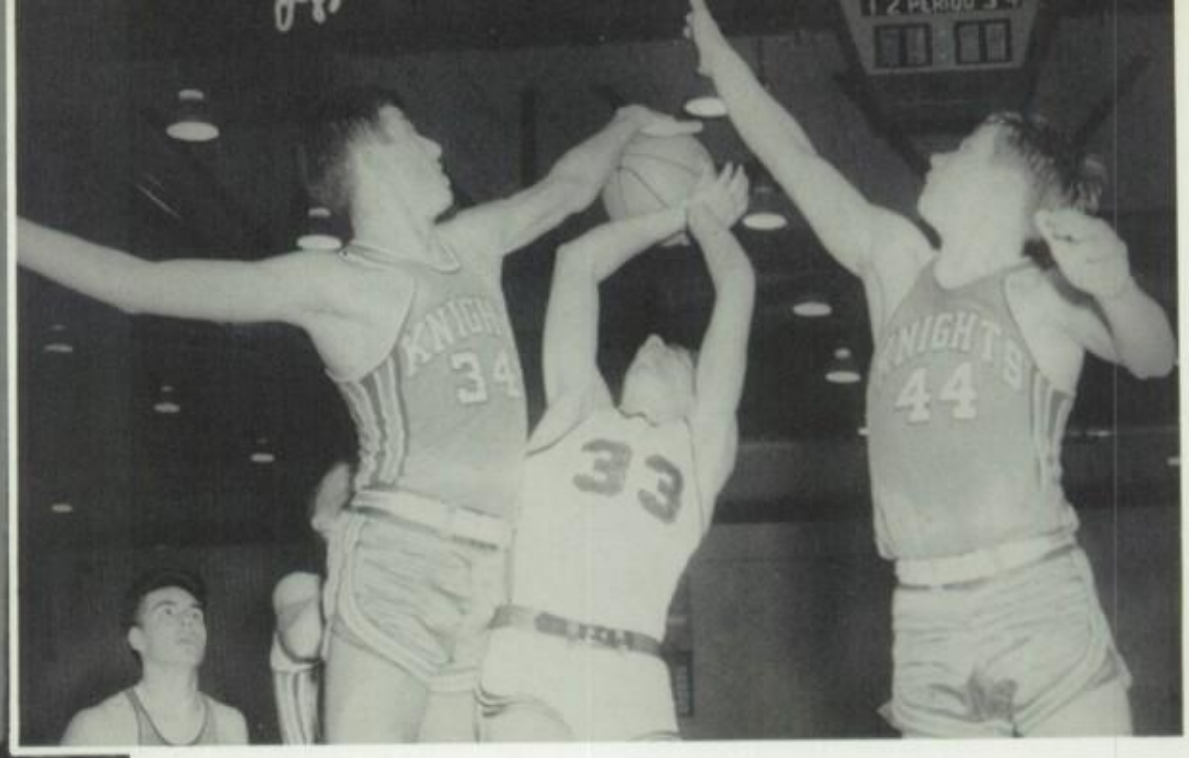
AFTER RECEIVING THE BALL at the high post, Robert Caldwell prepares to score a needed two points.



LARRY COLLE'S SCORING ATTEMPT is thwarted by an effective Southeast block.

Southeast

The Bears opened the season against Southeast. The fast-moving Knights capitalized on rebounds, and jumped ahead 47-22 by the end of the first period. Although the Bears fought hard, and Larry Colle hit 12 points, East fell to the Knights, 93-54.

St. Mary's

East held the lead throughout the first half of the exciting St. Mary's game, and was only two points behind at the start of the fourth period. Larry Colle, Robert Caldwell, and James Walker had 28, 17, and 16 points respectively, but the Bears fell short, 77-75.

AFTER DRIVING IN FOR AN EASY LAY-UP, Caldwell draws a foul from a St. Mary's player.

AFTER WEAVING THROUGH THE CHRISMAN DEFENSE, Eugene Hoskins comes up with the ball for a lay-up.

Chrisman

After two losses, the Bears seemed to have little hope against the champion Chrisman team. But the Bears proved their strength, and led through most of the game. With the boost of Caldwell's 16 points, and a great team effort, East upset Chrisman with a 70-61 victory.

Hogan

The first quarter of the Hogan game found the Bears ahead 15-14. But with the advantage of playing on their own court, the Rams led at halftime, 28-21. With Hogan ruling the boards, they widened the gap to 51-32. Despite Caldwell's 16 points, the Bears fell to the Rams, 75-42.

Raytown

Although Raytown was rated sixth in the city, the Bears kept them playing hard basketball. The half saw the Bears behind, 40-24. During the third quarter, East came alive, and was behind 9 points going into the fourth period. The Bears never ceased to fight, but fell short, 60-56.

Central

East opened in the Interscholastic League Tournament against the mighty Central Eagles. Against Central's overwhelming height, the Bears concentrated on defense, trying to slow down the sweeping Eagles. The state champions defeated the Bears, 69-33.

WESLEY MCGEE TAKES A WRESTLING POSITION to win the ball from two Vikings.

Manual

The Bears' second game of the tournament was with Manual. Though the Cardinals were lacking in height, they soon proved their strength, and led throughout the game. Their impressive outside shots kept the Bears from blocking, and East was defeated, 75-45.

Northeast

East was eager for a victory over Northeast. At the half, the Vikings were down, 27-26. The lead changed hands several times, and at the final buzzer the score was tied, 61-61. In the overtime, East scored only one point, and lost by a disappointing 63-62.

WITH A GOOD POSITION AND A HIGH JUMP, Ron Morrow comes down with another rebound.

THIS WESTPORT TIGER is just a little too eager to get the ball.

Manual

Having been defeated once by the Cardinals, the Bears were determined to win the second game, but quickly fell behind 41-26 in the first half. In the second half the Bears outscored Manual, but the defense was ineffective, and East was defeated, 66-53.

Westport

When the Bears met the Tigers, Westport was favored to win, but the Bears were on fire and went ahead in the first quarter. The boys fell far behind in the third, and the game seemed hopeless, but in the fourth the Bears outscored Westport, winning 51-40.

St. Pius

The game with St. Pius was evenly matched. The Bears fought one of their hardest battles, playing good defense and offense. The game ended in a 52-52 tie. In the overtime the Bears began to slow down, and the Warriors went ahead to win the game, 58-65.

Southwest

The Bears fought hard in the first quarter and were evenly-matched with the Indians. At halftime they were three points behind, 23-20. In the second half the Bear's defense fell, and the shooting was off, causing a defeat of 66-48.

Paseo

The Bears played a hard first quarter and held the Pirates to 13 points, scoring 6 themselves. A poor defense was the reason for falling behind 27-13. In the second half the Bears began to hit, but the defense didn't improve, and the Bears fell, 68-40.

Lillis

The Bears were hungry for a win against Lillis, but doubted their luck after a hard first half, scoring 25 points to Lillis' 46. Lillis continued to expand their lead by out-hustling and out-fighting the Bears. East was defeated, 83-54.

WITH THE DEFENDER JUMPING HIGH, Larry Colle has to go higher to get this shot off.

THE PASEO PLAYER WAS OUTNUMBERED at half court when he ran into Morrow and Carson.

THE EAGLE SEEMS DETERMINED to get the ball, but he'll have to fight Colle first.

Lincoln

The tall Lincoln team didn't waste any time moving ahead of the Bears. They were ahead 16 points at the quarter, and by half they revised this lead to 39-16. While the Bears struggled, they could not find the range, and fell short, 91-31.

Central

The second game with the state champs of Central was a repeat of the first, with the Eagles going ahead 42-15 in the first half. The Eagles dominated the rest of the game, but the Bears held the Eagles to 10 points in the fourth quarter, ending the game 78-46.

WESLEY MCGEE IS DETERMINED to take the ball and try for two more points.

Van Horn

The homecoming game was against the Van Horn Falcons. Throughout the first and second quarters, both teams were offensively cold. At halftime, the score was only 22-16. But in the second half, the Falcons came alive and beat the Bears, 66-41.

Southeast

The Bears second game with Southeast was much like the first one. The Knights got off to a quick lead, and continued to dominate the first half with their full court press. The second half was a repeat of the first, with the Knights controlling the ball and winning, 75-38.

THE PEP CLUB KEEPS UP THE SPIRIT at the Southeast game.

Truman

At the opening of the regional tournament, the Bears were pitted against the Truman Patriots. The first quarter showed signs of hope for the Bears, but at halftime they were 16 points behind. The last game of the season ended in defeat for the Bears, with a score of 45-77.

Junior Varsity

The junior varsity had a poor season, losing every game, though making a good showing at some. For the next two years, these boys will be East's varsity, and the coaches will look toward them for the needed potential for a winning team.

Although the team had an unimpressive record, the experience they gained will be valuable for their future basketball careers. With good coaching, hard work, and sincere effort, these boys could put the East team back on top.

The freshman team had some rough opponents and couldn't get going. These boys were just one step past intramural basketball. Most of the schools in the Inter-scholastic League have subfreshmen basketball clinics.

During the freshman year the boys were taught the basic fundamentals of the game. They learned the rewards of practice and determination, so East looks forward to a promising varsity in three years.

Cross Country Varsity

This year was an exceptionally good one for the varsity Cross Country team. Tackling practically every school in the area, they came out on top seven times out of nine. The varsity also won Kansas City's Big Ten Cross Country championship. With the help of this year's team, Mr. Fields hopes to dominate the cross country season next year.

"GET GOING!" says Coach Fields to this reluctant runner.

With the coaching of Mr. Fields, the junior varsity also had an outstanding year. During the year they had a record of five wins and one loss. In the Ruskin and Northeast Invitationals, the boys took two firsts. Hard work, great determination, and excellent coaching led the boys to the city championship. Next year's varsity looks forward to a great season.

Wrestling

Fred Fisher
Coach

This year was only the second season that the Bears have been wrestling, and already they rank in the first division of their league. This accomplishment was brought about by the excellent coaching of Mr. Fisher, and the hard-working team of boys.

East had the honor of having a representative in the state finals. Jerald Scott went all the way to state, then lost his first match in the finals. To reach the state meet was a great feat, and East has much to be proud of in the wrestling team.

Swim Team

With the coaching of Mr. Mabbott and the determination of a small group of boys, East's swimming team put on a good show. East never had enough boys swimming to fill all the events, but the boys fought hard anyway.

Boys who broke school records were on the medley relay team, which was made up of Bob Allen, Gene Nelson, Joe Jackson, Dave Barnhill, and Lee Scott sometimes substituting for Nelson. This team broke its own record twice at the city meet. Bill Reneau holds the school record in the 200-yard freestyle, Lee Scott in the 200-yard individual medley, Joe Jackson the 100-yard butterfly, Bob Allen the 100-yard backstroke, David Barnhill the 400-yard freestyle, and Gene Nelson the 100-yard breaststroke.

The swim team finished with a 2-4 record, and finished third in the city meet.

WARREN HAWBLITZEL AND DIAN JOHNSON, voted Done Most for East, will do anything to keep East clean.

Senior Ballot

The Senior Ballot is a means of recognizing outstanding students in the senior class. With the exception of Best Student, which is selected by the faculty, the students are nominated and chosen by their classmates.

CALLING IN ANOTHER RESERVATION, Social Belle and Lion, Brenda Shephard and Larry Colle, prepare for a party.

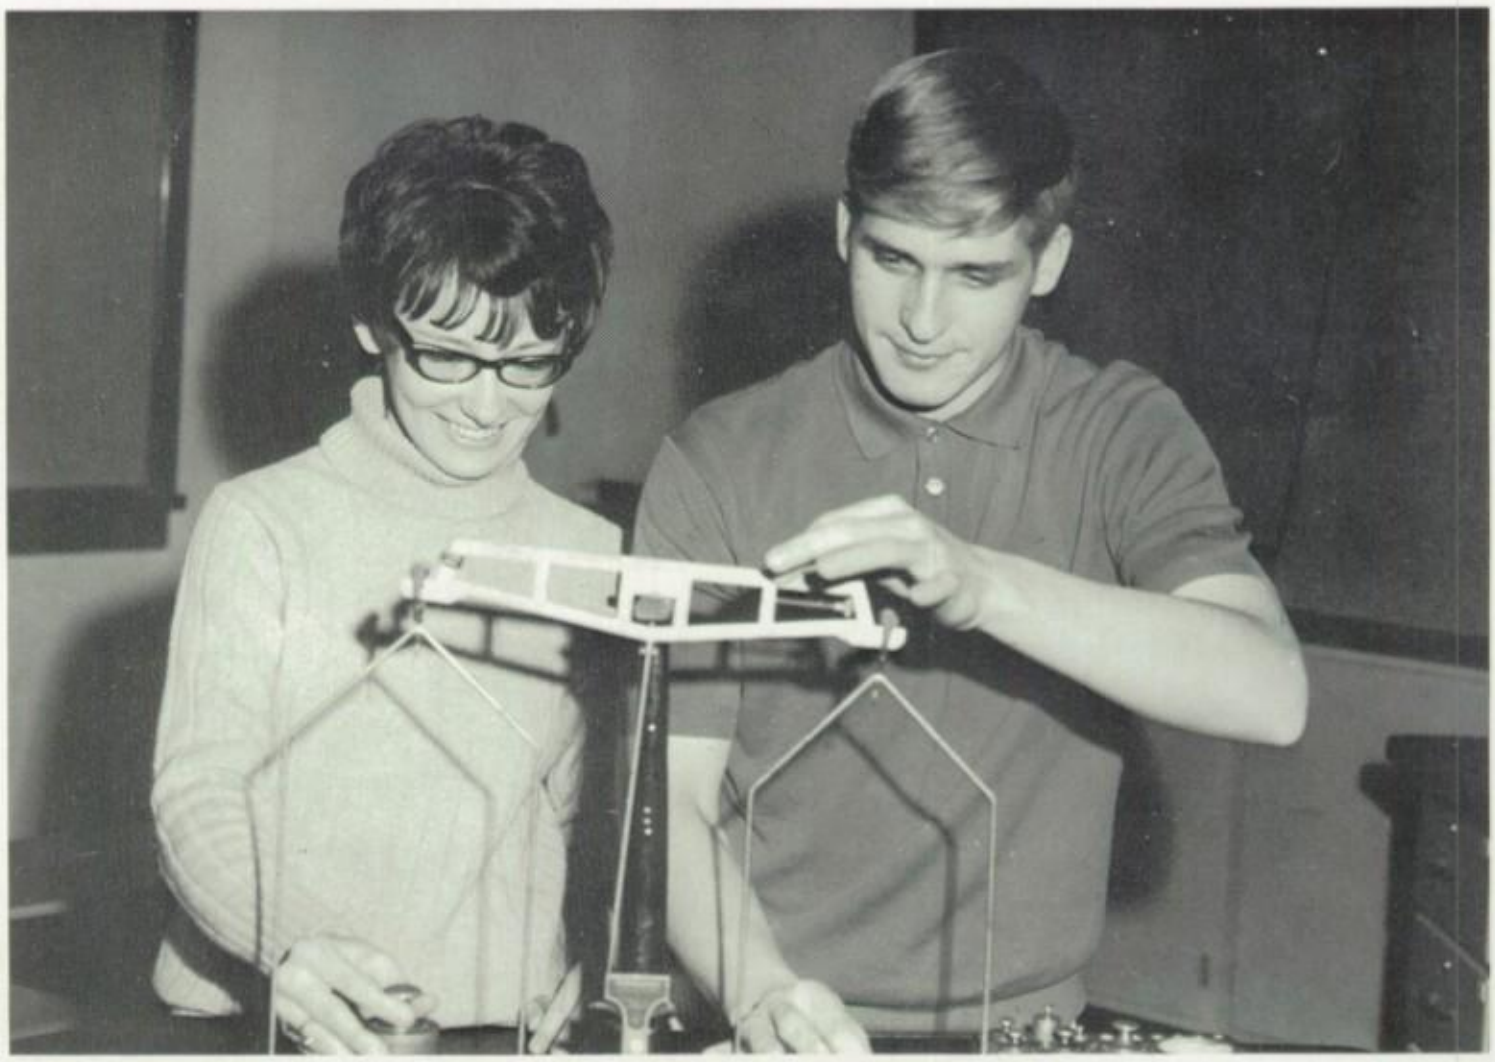
RELUCTANT TO COME OUT, Larry Driskell and Bev Hunt, Most Bashful, peek through the curtains.

"ONE MORE NOTCH ON THE SCALES AND OFF IT COMES!" says Jolly Good Boy, Mike Duffy, to Belinda Foster, Jolly Good Girl.

STUDYING INTENSELY, Best Students, Steve Irwin and Julie Brown, prepare themselves for the next test.

CHERYL NEGUS AND GARY LAND, Ideal Girl and Boy, have a ready smile for the photographer.

MOST LIKELY TO SUCCEED, Julie Brown and Steve Irwin aren't having much success at balancing the scales.



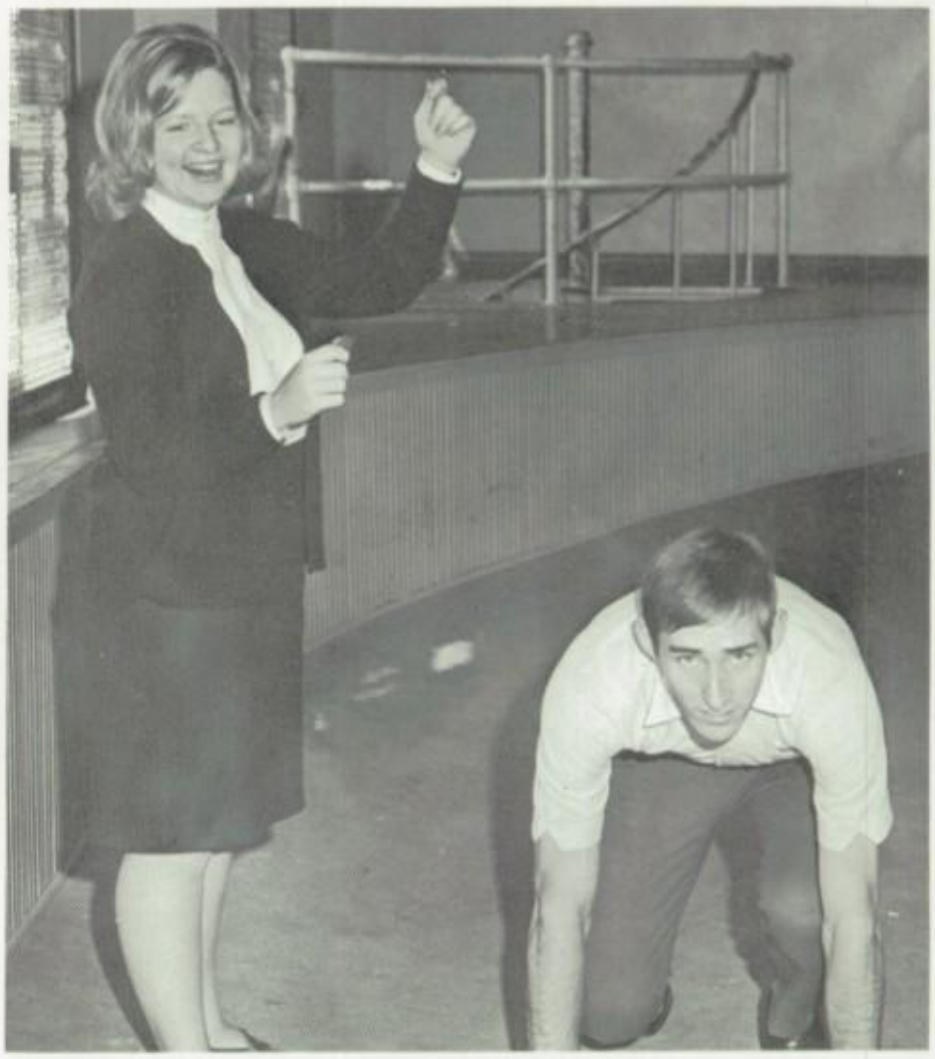
DOING AN EXOTIC DANCE, Best Dancers Pat Brown and Bob Gillespie spin in the front hall.

ONLY BLUFFING, KAY KINNEY AND TIM SHOEMAKER, Best Bluffers, search for the combination.

POSING FOR PICTURES is an everyday affair for Most Popular Debi Merlo and Mike Pitts.

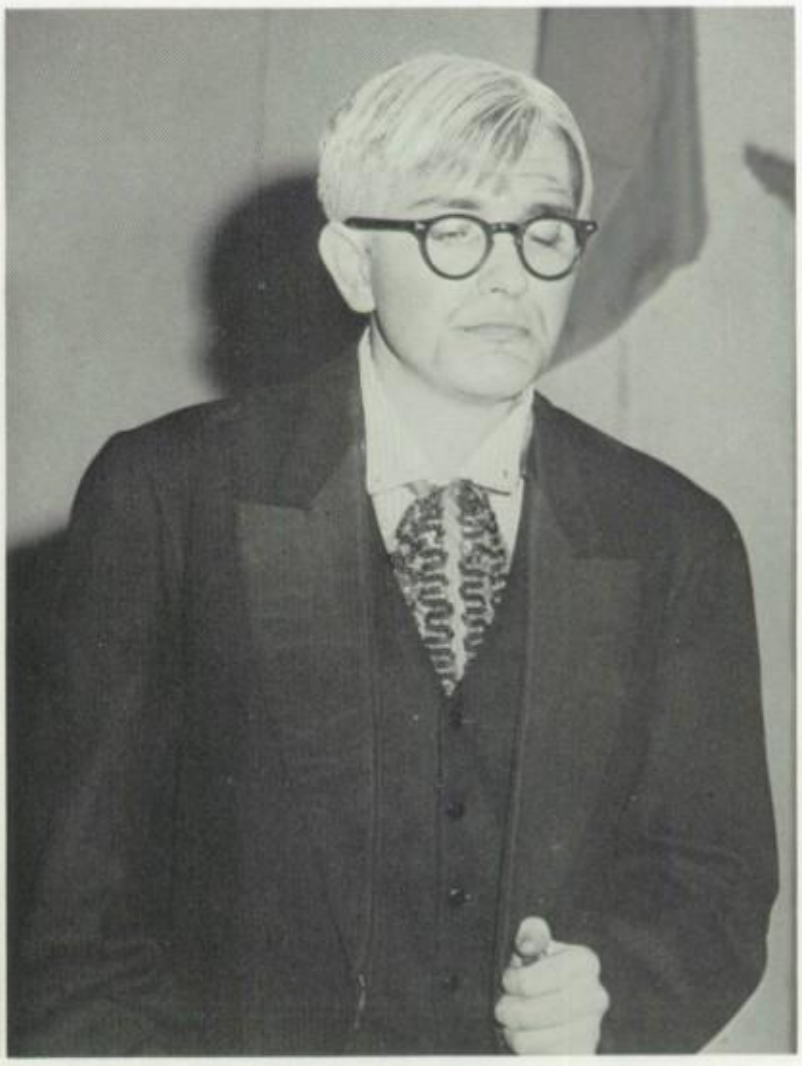
WITHOUT MUCH SUCCESS, Worst Flatterer Dean Johnson tries to persuade Peggy Lynn to come down from the heights.

BEST ATHLETES, Ron Morrow and Sue Ash, practice timing on the indoor track before the next meet.



ACTING COMES NATURALLY for Claudia Edwards, chosen Best Actress.

SIGHING WITH RELIEF, Best Actor Dennis Milholland pauses after a scene in the fall play.



BEST ARTISTS, MIKE CRAIG AND SHEILA CARRASCO, prepare their material for another project.

KEEPING TIME IS EASY WORK for Kathy Taft and Ronnie Marsh, Best Musicians.

Each year is an intertwining aura
of experience, with the end
waiting at a shining distance.

Acknowledgments

In sincere appreciation for service and assistance given towards the production of the 1967 Eastonian, the staff wishes to offer our deepest thanks to . . .

. . . Mr. L. Clayton Dickson, for his patience with staff activities . . .

. . . the office staff, for their invaluable aid . . .

. . . Mrs. Sarah Schmalz, and the bank proctors, for maintaining our financial records . . .

. . . the custodians, for their consideration of the staff's after-school hours . . .

. . . Rolland Studio and Mrs. DeLois Thomas, for their help with the pictures needed for this yearbook . . .

. . . Inter-Collegiate Press, our publisher, and our special advisor, Mr. Alden Tilberg . . .

. . . Mr. William K. Prewitt, for his countless hours spent in guidance and encouragement.

But most of all, we would like to thank you, the student body and faculty, for your faithful and enthusiastic support of this Eastonian, and all the activities sponsored by the staff. We hope that this yearbook will be one that you will forever enjoy as a memory of East High School.

Lets here it....

Miss McKenna!

I have thoroughly enjoyed having you for a typing teacher this year, for I see, I have accomplished a lot. Since I enjoy the subject of typing I plan to continue the topic in my future years, so I hope to see you next year. Good luck always and may God bless you always.

Mrs. McKanna,

I have enjoyed your class very much. I feel that I have learned a great deal about typing this year, which I know will help me in the future. I want to thank you for being such an educational and understanding teacher, and I hope to see you in the future. Thank you for everything. May God bless and keep you always.

A grateful student,

East Cadets Choose Georgia Martines Queen

THE EAST HIGH QUEEN CANDIDATES line up for photographs after Georgia Martines is crowned queen.

This year the annual ROTC Ball was held at the U-Smile Motor Inn. The ball was a combination of ten area high school ROTC units. This year, East was represented by Georgia Martines, Peggy Lynn, and Claudia Edwards. Later during the evening, Miss Georgia Martines was crowned East High ROTC queen by Mr. Dickson. The ball proved a success not only for the queens and their attendants but also for the cadets and their dates.

"Our Town" Displays

The annual spring play was presented on the night of March 10 under the direction of Mrs. Louise McDonald. This year's play was Thornton Wilder's "Our Town." The story was built around the lives of two families—the Gibbs and the Webbs. The stage manager served as narrator and gave insight to life in the town.

THE CAST OF "OUR TOWN" TAKES FINAL BOWS after a successful evening performance.
